EDUCATION

2025 - Progress

ILMA UNIVERSITY

- Bachelor of Science in
Computer Science

SKILLS

- Angular
- SQL Server
- GitHub
- ASP.NET Core
- PostgreSQL
- Postman API

PROFILE

I'm a professional web developer specializing in Angular and ASP.NET Core. I have strong expertise in designing, developing, and deploying high-performance web applications. My skill set includes Angular for front-end development, ASP.NET Core for backend services, and solid experience with databases like SQL Server and PostgreSQL. I'm also proficient in version control using GitHub and have a deep understanding of modern development toolsand best practicesfor buildingrobust,scalable applications.

WORK EXPERIENCE AT PERSISTENT SOLUTIONS

- At Persistent Solutions, I have gained in-depth knowledge of various business domains through work on several key applications, including
- Order Booking System.
- Construction Management System
- Industrial Financial System
- Networking System
- Sales Management System (Food Industry)

2024 TILLPRESENT

Persistent Solutions

- **Developed and maintained dynamic web applications using Angular and ASP.NET Core, ensuring responsive design and optimal performance.**
- **Worked on RESTful APIs and backend services, utilizing Postman for API testing and SQL Server/PostgreSQL for data management.**
- **Collaborated with cross-functional teams using GitHub for version control and code collaboration.**
- **Optimized database queries and implemented secure backend logic to support scalable applications.**
- **Participated in code reviews, bug fixing, and deployment processes to deliver high-quality solutions within deadlines.**
